Stall Selection

Stalls are rented on a first come, first served basis. We will limit the number of different types of stalls. For example, we will not have any more than two of the same type of foods. This is to ensure the best outcome for our stall holders and the best selection for our patrons.

Stall Options

\$250.00 for stall space rental (4m x 4 m)

\$30.00 for access to our generators for electricity supply

If you require a larger area than 4m x 4m, please indicate the space required below. We will then provide a written quote for that area.
